Dear Dr Kavya Patel

Thank you for registering " *International Journal of Integrated Medical Research* " at **Index Copernicus Journals Master List**.

Index Copernicus Journals Master List provides a number of [unique bibliographic services](#) including journals abstracting, ranking and calculation **IndexCopernicus Value (ICV)**. Authors' names are linked to **Index Copernicus Scientists**, which provides profile and bibliographic information as well as easy and [effective worldwide scientists networking](#). **Index Copernicus Journals Master List** provides a tool to send XML files to **Medline** on behalf of eligible journals.

We strongly advice editors and publishers to establish [accounts](#) for their journals and take full advantage of self-administration of important journals information such as, but not limited to, editorial office addresses and contact changes, subscription prices, publishing policy, mission of a journal and abstract management.

We offer you **14 days promotional** period for using **Publisher Panel Professional**.

Professional Package - offers [most complete solution](#) to editorial and publishers needs of small-to-medium size academic-based journals. The package offers complete *online manuscript submission and processing system, subscribers/authors/reviewers database management*. In addition to general e-Newsletter, **Professional Package** offers also *profiled e-Newsletter tool* for communication with selected groups of readers (for instance to inform them about selected articles) and *e-Newsletter Authors Monthly Report*, to keep authors informed about popularity and download counts of their articles. This is [effective tool](#) for building up stronger relations between a journal and authors.

For [new account](#) information please contact Index Copernicus International Plc. at office@indexcopernicus.com.

To receive [login](#) information, please provide name and e-mail address of a person responsible for each journal listed at **Index Copernicus Journals Master List**.

Thank you for **indexing your journal** in Index Copernicus,

Sincerely yours,

Index Copernicus International Plc.
